You will need to provide your own leg tags. Reindeer Games Live is a participant in the Region 10 (or Region X) tag system. To get your own exhibitor number and learn about the Tag Manager, please go to <https://regionxnation.com/start>

You will need to turn in a list of your horses with their corresponding numbers prior to the start of the show. Results will be posted on the region x nation site under show results.

Multiple tables will be used to save time. As one class is being judged, setting up for the next class can be done on the other table.

The decision of all judges is final. If you have any questions regarding your entry, address them immediately after the class is pinned, while the judges' reasons are fresh on their minds.
