TAGS

Finger Lakes Spring Fling will be using the Region 10 Tag Manager system to track entrant horses and generate results. Please visit <http://regionxnation.com/> to enter your horse list. You can also use the system to print labels for your tags. Horses MUST be entered into the system prior to the start of the show. I will be using this system to generate the results for the show.

Each shower is responsible for creating their own tags. Avery tags #11062 or equivalent (1 3/4" to 1 3/32" in size) white and stringed should be used. These can be found at any office supply store.

To get a shower number go to Regionxnation.com and select Tag Manager → Request a number and follow the prompts.

HORSE LIST

Please turn in your horse list made on the Region Ten Tag Manager on the day of the show. *Please list horses in numerical order.* The only horse list accepted is your printed out horse list from the Region Ten Tag Manager. Be sure that all horses you will be showing have been added to your horse list on the Region 10 Tag Manager BEFORE the show.
