Halter Class Guidelines

Entrants may show up to three horses per halter class. Additional horses may be entered for \$1.00 per horse. Place the horse and the dollar on the table.

1. Halters are optional for breed classes. If you do use a halter, be sure it is correct for the breed and fits the model correctly.
2. One breed class per horse.
3. Short paragraphs and reference photos are encouraged for rare breeds. Size not to exceed 8 ½ x 11 inches. Please do not place books on the table.

Original Finish – is defined as any model that is mass-produced at a factory (i.e. Breyer, Stone, Hartland) and has not been altered in any way after leaving the factory. This includes but is not limited to the use of spray polish, applying black polish to hooves, or adding a glossy finish to a matte model. Touch-ups are permitted if not obvious.

Custom Models – are defined as any model that has been changed from its original form in any media. These classes also include models made by hand.

Artist Resins – are defined as any model, regardless of number in run, which has been home or professionally cast. Original Sculptures also qualify for the resin division. Resins that have been altered after casting still enter the resin classes.

PERFORMANCE CLASS GUIDELINES

Entrants may show up to two entries per performance class. If entering additional horses please place \$1.00 next to horse. For any set-up with more than one horse – tag only ONE horse. This horse will be listed in the results and will be the horse to earn the NAN qualification. The remaining horses are considered props.

1. All classes (except pleasure classes) MUST have a card explaining what the model is doing. If there is no card with the entry, it will not be judged.
2. Riders/handlers are optional
3. Do not use any solid backgrounds. The horse must be visible from all sides.
4. Calf/animal is required for any stock work.
5. Cart and driver are optional for harness.
6. State level and movement for dressage.
7. State type of outfit for costume

TAGS

Finger Lakes Spring Fling will be using the Region 10 Tag Manager system to track entrant horses and generate results. Please visit <http://tags.annsmoels.com/> to enter your horse list. You can also use the system to print labels for your tags. Horses MUST be entered into the system prior to the start of the show. I will be using this system to generate the results for the show.

Each shower is responsible for creating their own tags. Avery tags #11062 or equivalent (1 3/4" to 1 3/32" in size) white and stringed should be used. These can be found at any office supply store.

To get a shower number you must contact the "keeper of the numbers", Jackie Arns at drsteggy@drsteggy.com. In your email put your name and email address and request a Region 10 exhibitor number.

HORSE LIST

Please turn in your horse list made on the Region Ten Tag Manager on the day of the show. *Please list horses in numerical order.* The only horse list accepted is your printed out horse list from the Region Ten Tag Manager. Be sure that all horses you will be showing have been added to your horse list on the Region 10 Tag Manager BEFORE the show.

Division Running Order

Minis then china, OF halter and both open performance divisions will start first thing in the morning. OF performance will run 1-15, CM/AR performance will run 6-15 then 1-5.
