## TAGS

Finger Lakes Spring Fling will be using the Region 10 Tag Manager system to track entrant horses and generate results. Please visit <http://tags.annsmodeleds.com> to enter your horse list. You can also use the system to print labels for your tags. Horses MUST be entered into the system prior to the start of the show. I will be using this system to generate the results for the show.

Each shower is responsible for creating their own tags. Avery tags #11062 or equivalent (1 3/4" to 1 3/32" in size) white and stringed should be used. These can be found at any office supply store.

To get a shower number you must contact the "keeper of the numbers", Jackie Arns at [drsteggy@drsteggy.com](mailto:drsteggy@drsteggy.com). In your email put your name and email address and request a Region 10 exhibitor number.
