Rules For all Shows - All classes are a limit of three models per shower. Buy Ins for AHE OF division is limited to 2 models per shower per class, all other divisions limit 3 Buy In models per shower per class. Standard \$1 each Buy In, due at time of entry. The judges and the show holder reserve the right to split, combine and cancel classes as needed. All judges decisions are final, if you have any questions about a placing, please ask the judge right after the class has finished.

Each model is allowed one class Breed class for the day. If your model does not place in it's Breed class, please do not change it's Breed to show it in an additional class.

For all shows, if you are unsure what breed class your model belongs in, ask the judge or show holder prior to the start of the show.

All Breed classes will be double judged, for Breed as well as Collectibility or Workmanship (in the case of OF Stones a combination of the two will be used). All Fantasy classes are JUST judged on Collectibility or workmanship, depending upon division. Decorator Collectibility Division is single judged for collectibility only and open to all makes. No "realistic" horse colors, only unrealistic, such as Copenhagan, Gold Charm etc. Modern means anything after 1975.

For both Original Finish Plastic and Original Finish China/Resin - all scales - to be judged for Collectibility you MUST have documentation, which includes such things as year made, limited edition, quantity made, CoA's and the like.

For the Mighty Mini Mania Show - Only models curio size and smaller are eligible.

LIMHE is offering a Collectors Class on both days. It will be held during lunch. It is open to all finishes on each day. Each set up should have between 6 and 8 horses. Class will be judged on overall presentation as well as models used. For original finish models documentation and condition shall be taken into account. For artist resins and customs entries workmanship will be considered. Special flats will be awarded.

All first and second place finishes from each class in each section will be called back for the Champion/Reserve of that section. All Champion and Reserves will then be called back at the end of the show for the Over All Champions of their Divisions, with each having a separate Overall. i.e. Breed, Workmanship etc.

The show holder, judges and the Girl Scouts of Suffolk County can not be held responsible for any loss, damage, theft or injury to participants, their property, or their guests. Un-sportsmen like conduct will not be tolerated.

Long Island Model Horse Expo - Addendum

Proxy Showing: Proxies are welcome. Pricing is as follows - base cost of \$5 plus \$2 per horse. Proxy Shower must be a paid entrant for the show that they are proxying horses in. All proxy horses must fit on proxy showers table.

Showing in Mighty Mini Mania: MMM is considered a separate show from the All Halter Extravaganza so your mini may show in both shows. Please note on Sunday when the China Division of the All Halter Extravaganza is running, we will not be holding classes for Mini's to come out and go into the China Division.

Ribbon Recycling: LIMHE will be doing ribbon recycling. If you wish to recycle your ribbons to help keep cost down for future shows (or you just do not want em) you are more than welcome to turn them back in. A box shall be on the main table for you to place any ribbons you want to turn in.

Lunch: We will be offering a "catered" lunch both days. Cost is \$5 per person, open to both showers and their guest. Food shall consist of cold cuts, rolls, salad, macaroni salad and possibly other dishes. Desert and water will be included. If you wish something else to drink, please feel free to bring it. With luck we shall have some hot dishes as well, depends on my free time the week of the show. More information will be available the week of the show and you may pay show day if you wish.

You are more than welcome to bring your own food, there are no restrictions for the hall in regards to that. There is a small fridge but it also has GSSC Camp supplies in it so space is limited. While the nearest classic fast food is about 10 minute drive (aka Burger King) we have a ton of local pizza, Chinese and deli's in the area that deliver or can be gotten to in five minutes.

Hotels: Due to Islip MacArthur Airport being in my backyard so to speak we have many nice hotels in the area. If there is a certain hotel you wish me to check out for you let me know. Most of them are located on Veterans Highway, by the airport, Most are a 15 to 20 minute drive depending upon lights. There are a few to stay away from, like Sayville Motor Lodge and the Lakeland Lodge. I know a few folks have stayed at the Roadway Inn, as well as La Quinta. We also have a Clarion for those wishing to recapture that Breyerfest feeling. Again any questions or need me to check something yell!

Ferries: My preferred method of getting back onto the Island from New England. Unless you are coming in on Friday the Ferries do not run early enough to get to the show hall on time but do make it easy to get home. There are two, The Port Jefferson Steamboat which comes in at Bridgeport CT, website here - <https://www.88844ferry.com/Default.aspx>. While you need to buy your tickets in advance, Port Jeff has a ticketing machine at the dock. The other one is the Cross Sound Ferry, which is out of New London, CT and comes in at Orient Point, LI. They advertise some great rates, but those are only limited times and days. Their site - <https://www.longislandferry.com/> Both need reservations made in advance. I have made my Port Jeff reservation and shown up early and gotten on the boat.

Questions, comments or concerns, please contact me ASAP!
