**Tables:** SUPER important, all tables are 5' (five) **ROUNDS!** I do not offer half tables as we are using rounds and it is a little too tricky to split. Plus if I manage to get more then 25 people to come you all can knock me over with a feather.

**Judges:** Sara Parr, Sue Hallwas, Christina Capozzi Riley, Ann Harris, Amanda Reed, and Laura Rock-Smith. Additional judges are needed, so please ask.

**Awards:** Custom paper flats 1st to 6th. Commercial fancy flat ribbons to Champions and Reserve, commercial rosettes to Overall Champion and Reserve. All champions shall receive glassware "trophies, and if I have enough, Reserves shall receive them as well. Also all Overall and Reserve shall be receiving glassware "trophies". All trophies are yours to keep, I will not be accepting any back. Trading with other showers is more then welcome.

**Tags:** You will need to provide your own leg tags. This show is a participant in the Region 10 tag system. To get your own exhibitor number and learn about the Tag Manager, please go to <https://RegionXNation.com/start>

**Horse List:** A printed horse list must be submitted before the start of showing. Your horse list can be generated from the Region X Tag System. **ALL horses showing MUST be entered into the system prior to show!!!!!!!**

**NAMHSA:** LIMHE - MMM will be submitted to be a NAN qualifier. LIMHE - MMM is a Region X Championship Show qualifier.

**Raffle:** Tickets are Region X standard \$1 for 6 for 5. Donations of models, and related items are most welcome.

**Definitions of Sections:** Section A is open to models that are large stablemate scale or smaller. Section B is open to models that are paddock pal/little bit scale to classic scale. Stone Sections is for both sizes of Stones. Performance is Classic and under and open to all finishes.

**Rules For all Halter Sections:** All classes are a limit of three models per shower. Buy Ins for all classes are a limit of 3 additional models per shower per class. Standard \$1 each Buy In, due at time of entry. The judges and the show holder reserve the right to split, combine and cancel classes as needed. All judges decisions are final, if you have any questions about a placing, please ask the judge right after the class has finished.

Each model is allowed one class Breed class for the day. If your model does not place in it's Breed class, please do not change it's Breed to show it in an additional class.

For both sections, if you are unsure what breed class your model belongs in, ask the judge or show holder prior to the start of the show.

All Breed classes will be double judged, for Breed as well as Collectibility or Workmanship (in the case of OF Stones a combination of the two will be used). All Fantasy classes are JUST judged on Collectibility or workmanship, depending upon division. Decorator Collectibility Divisions are single judged for collectibility only. No "realistic" horse colors, only unrealistic, such as translucent, silver filigree, gold, Halloween horses etc.

For both Original Finish Plastic and Original Finish China/Resin - all scales - to be judged for Collectibility you MUST have documentation, which includes such things as year made, limited edition, quantity made, CoA's and the like.

LIMHE - MMM is offering a Collectors Class in each Section (if showing a Stone collection it would go in Section B class if made up of Chips or Section A if made up of Peebles). It will be held first thing in the morning. Both classes in each section are open to all finishes. Each set up should have between 6 and 8 horses. Class will be judged on overall presentation as well as models used. For original finish models documentation and condition shall be taken into account. For artist resins and customs entries workmanship will be considered. Please be sure to include your name with it. Paper flats and trophies to 1st place in each class.

**Fun and Medallion Classes:** In honor of medallions now being able to earn NAN cards in workmanship LIMHE - MMM will be offering several medallion classes. Please read the rules on page 7 but all medallion MUST be entered into the Region X tag system and have tags with Region X numbers on them. Since these results now need to be submitted, I need to be able to enter them into the system. Paper flats to 6th. Fun classes are described on page 7 as well.

**Performance Section:** Is open to all makes, finishes and scales from Classic on down. Limit three models per shower per class. Classes will not be held to wait for a horse to come from or enter a halter class. Timer will be used if needed between classes. If enough entries in any combined classes, they will be split at the discretion of the judge.

**Ribbon Recycling:** LIMHE will be doing ribbon recycling. If you wish to recycle your ribbons to help keep cost down for future shows (or you just do not want em) you are more than welcome to turn them back in. A box shall be on the main table for you to place any ribbons you want to turn in.

**Lunch:** I will be offering a "catered" lunch. Cost is \$5 per person, open to both showers and their guest. Food shall consist of cold cuts, rolls, salad, macaroni salad and other dishes. Desert and water are included. If you wish something else to drink, please feel free to bring it. With luck we shall be having soup as well, depends on my free time the week of the show. More information will be available the week of the show and you may pay show day if you wish.

You are more than welcome to bring your own food, there are no restrictions for the hall in regards to that. There is a small fridge but it also has GSSC Camp supplies in it so space is limited. While the nearest classic fast food is about 10 minute drive (aka Burger King) we have a ton of local pizza, Chinese and deli's in the area that deliver or can be gotten to in five minutes.

**Hotels:** Due to Islip MacArthur Airport being in my backyard so to speak we have many nice hotels in the area. If there is a certain hotel you wish me to check out for you let me know. Most of them are located on Veterans Highway, by the airport, Most are a 15 to 20 minute drive depending upon lights. The following are all hotels that folks have stayed at and been happy with we have more, some to stay away from so ask first if not using these -

**Clarion Hotel & Conference Center, Ronkonkoma, 3845 Veterans Memorial Hwy, Ronkonkoma, NY, 11779, United States of America, 888-950-5062**

**La Quinta Inn & Suites Islip - MacArthur Airport, Bohemia 10 Aero Rd, Bohemia, NY, 11716, United States of America, Hotels.com Expert: 855-238-1593**

**Rodeway Inn Macarthur Airport, Ronkonkoma 3055 Veterans Memorial Hwy, Ronkonkoma, NY, 11779, United States of America, 888-950-5062**

Again any questions or need me to check something yell!

**By Train:** Since this is a mini show, and sometimes minis take up less room if you want to show but do not drive here is a great chance to come to one! We have an LIRR train station with in walking distance of our house. If interested please contact me so we can make arrangements. I have some floor space available for sleeping, at the moment only one sleeping bag but should be able to wrangle up more if needed.

Questions, comments or concerns, please contact me ASAP!

**The show holder, judges and the Girl Scouts of Suffolk County can not be held responsible for any loss, damage, theft or injury to participants, their property, or their guests. Un-sportsmen like conduct will not be tolerated.**

When ever possible, judges will be calling up each whole breed section, please read the mini ring signs which will list what breed goes on what section of the table. This will help us to combine or split classes as needed. In addition, if possible a call back area will be on each ring, please move your first and second place finishes from each class in each Breed section to that area for the Champion/Reserve of that section. All Champion and Reserves will then be called back at the end of the show for the Over All Champions of their Divisions, with each having a separate Overall. i.e. Breed, Workmanship etc.
