

**Long Island Model Horse Expo – 2019 Edition -
Novice/Intermediate Performance Blast!
Sunday, April 14th**

Location: Girl Scouts of Suffolk County, Juliette Low Friendship Center, Lakeview Avenue, Bayport, NY 11705. Please note that JLF Center is part of Camp Edey Property but before the actual camp, so it does not have an actual street address. It is approximately 1/3 of a mile north of Montauk Highway, on the west side of Lakeview Ave. If you pass the gates and see the Camp you have gone too far. For those using GPS you can use either of the following homes which are across the street from JLF Center - 511 or 495 Lakeview Ave, just please do not turn into their driveways!

Look for the Expo Signs!

Due to the show hall being part of a Girl Scout camp, no pets, no smoking and no alcohol is allowed on the property.

Your Horse List will need to be turned in before the start of the show. It should list ONLY the horses you are showing at this show. Please be sure to enter your models at least 24 hour in advance of the show's date. Please print your list from the Tag Manager program, this way numbers on the tags will match the numbers in the Tag Manager and are easier to read. Thank you.

Region X Qualifier: LIMHE Novice/Intermediate Performance Blast is Region X qualifier. Performance classes shall earn performance Region X Cards and Suitable to Become classes shall earn halter breed qualifier cards.

For LIMHE the following definitions of what is a Novice and Intermediate are -

Novice: Novice Showers are those who have never shown a model horse or have been showing less than 2 years. Customized models must have been completed by the owner.

Intermediate: One who has been showing for two or more years and/or has never shown in or taken a championship in an Open Division of a model show before. Customized models must have been completed by the owner.

The judge and the show staff reserve the right to move any shower into the Open Division if they feel it is appropriate.

Performance Class Limits: All classes are a limit of **TWO** models per shower. Due to limited judging space, LIMHE will be following the NAMHSA guidelines with the maximum size of any set up being 18" x 30". In harness, exceptions shall be made for oversize hitches.

Time Limits Between Classes: A timer will be used between classes if need be, again due to the amount of judging tables LIMHE has available we will not necessarily be able to be setting up one class while another is being judged, in that case you shall have 10 minutes between classes. If we are able to utilize other rings between a class then you shall have 5 minutes between classes which shall be announced when the class is called.

The Suitable to Become Classes are limited to one class per model with a limit of three models per shower. Models are judged on how suitable they are to perform that listed task. Use of appropriate halter/bridle/handlers for showing is encouraged.

As always the judges and the show holder reserve the right to split, combine and cancel classes as needed. All judges decisions are final, if you have any questions about a placing, please ask the judge right after the class has finished.

Champions: All Champions shall be done by call back of all first and second place finishers of each class in each section. Overall Champ and Reserve shall be chosen from a call back of all the Champion and Reserve.

Raffle: Once again we shall be having a raffle to help defray the cost of the show. Donations of models, and related items are most welcome. Tickets will be 1 for \$1 or 6 for \$5

Lunch: We will be offering a "catered" lunch. Cost is \$5 per person, open to both showers and their guest. Food shall consist of cold cuts, rolls, salad, macaroni salad, coleslaw, hot soup and possibly other dishes. Desert and water will be included. If you wish something else to drink, please feel free to bring it. More information will be available the week of the show and you may pay show day if you wish. You are more than welcome to bring your own food. There is local fast food, most being a 5 - 10 minute drive from the hall.

Hotels: Due to Islip MacArthur Airport being in my backyard so to speak we have many nice hotels in the area. The following are all hotels that folks have stayed at and been happy with we have more, some to stay away from so ask first if not using these -
