

Model Horse Fun Day

What: This is a day of model horse related workshops. There will be stablemate painting as well as two customizing workshops! Each workshop will provide you with all the supplies and skills you need to create custom models of your own! No need to bring anything, unless you have a specific model you would like to customize. Attendees can choose to do one workshop or make a day of it and do both workshops! There will be a break at 11-noon. Stablemate painting is open to the public and will be offered until we run out of models to paint.

Stablemate Painting

Triple Mountain is sponsoring the event and will be hosting Stablemate Painting from 10am - 1pm.

SM Painting is open to the public and *free* for everyone age 16 and under.

17 & up are welcome to paint a horse, too, for a \$2 fee to cover the cost of the model.

Come out and paint the horse of your dreams! There will be an assortment of different horse breeds to choose from. All paints and brushes will be supplied.

Limited to one model per person.

Triple Mountain Model Horses

Another great reason to put this on your calendar: Eleda from Triple Mountain will be here with her mobile model horse store. Anyone is welcome to stop in and shop current Breyers! There will be everything from stablemates to traditional scale models.

Raffles

There will be a few raffle items available including breyer models and artist resins. Tickets are \$1 each of 6 for \$5. The raffle will be drawn at 11:30 and you must be present to win!

Workshops

Sculpting Manes and Tails (9am-11am)

Skill Level: Beginner to Advanced

Learn how to transform your Freedom Series (1:12 scale) models in this fun session taught by artist Kayla Lovejoy. Models will be provided to all students in this class along with all supplies needed to create a new mane and tail. Kayla will teach students how to use Aves Apoxie sculpt to give models a whole new look!

Cost: \$30 per person

Pastelling a Dapple Grey (12pm-2pm)

Skill Level: Beginner to Advanced

Join Kayla Lovejoy as she teaches students how to paint an incredible dappled grey horse using pan pastels and acrylics. In this session, Kayla will show participants how to create the basecoat and use a subtractive technique to create realistic dapples. A stablemate scale model and all paints, pastels, and brushes will be provided to students to create their dapple grey.

Note: If you would like to learn to clear coat your model, please bring a respirator. Otherwise, I will be clear coating models for people who do not have a respirator. The clear coat does give off an odor and if this will bother you, you may want to bring a respirator for the entire class period as models will need to be clear coated multiple times.

Cost: \$30 per person

Hobby Booths: There will be a couple of tables set up with hobby information on things like getting into showing, model horse tack, customizing, etc. Come out and learn more about this amazing hobby!

Date: Saturday, August 24th, 2024

Event Host: Kayla Lovejoy

Email: blue_horse33@yahoo.com

Location: 534 Pequawket Trail, West baldwin, Maine

Time: Hall will open at 8:30 am for set up and the first workshop will begin at 9 am.

Entry Deadline: Wednesday, August 14th . Entries will not be considered complete until payment is made. Workshops are limited to 10 participants each and will sell out fast!

SM Painting does not require pre-registration and is open to the public, while supplies last, from 10-1.

Lunch: You will have to provide your own lunch.

Rules: Radios, pets, and smoking are not allowed in the hall. No running in the hall. The event coordinator and the hall cannot be held responsible for any loss, damage, theft, or injury to participants or their property. Stablemate painting is for anyone age 5 and up.
