

Southern New England Winter Round-Up
April 4 & 5, 2020
West Stafford Fire Dept
144 West Stafford Rd. (Rt 190) Stafford Springs, CT 06076

Fees: \$50 for one day (add \$2 if paying via Paypal), \$100 for both days (add \$4 if paying via Paypal). Proxy base fee is \$20 for one day, \$40 for both days, plus \$1 per model being proxied each day up to ten (10) models. If your proxy shower needs a table you need to pay the regular entry fee. Upgrade to full tables are available for \$20 each day (first-come-first-served, if available). If you are proxy showing and require a full table the regular entry fee applies. This will be available only on a first come, first served basis and will be determined only after the cut-off date for entries. Please send the \$20 with your entry fee and if we cannot manage a full table for you we will refund the \$20 fee on show day.

Sponsorship: Sponsorship options are available if you are interested. You can sponsor a single class for \$5, sponsor a section (ex. CM stock breeds) for \$15, or sponsor a whole division for \$30 (ex. AR Breed or CM workmanship). This covers the cost of the awards for that section and your name will be announced at the show (you can remain anonymous if you prefer).

Time: Hall will open at 8:00 am and the show will start promptly at 9:00 am.

Show coordinator: Brenda Bednar

Please feel free to email or PM on Facebook (Brenda M. Bednar) if you have any questions about the show.

Entries: May be received at any time starting December 4, 2019 until March 14, 2020 (or until seats are sold out)

DEADLINE: March 14, 2020. Entries received after this date will be charged a \$10 late fee. The show hall can only hold 25 entrants so it is first come, first served. There will be no exceptions due to the limited space in the hall, and we want everyone who comes to be comfortable. We will also not be able to accommodate those entrants who want to enter on the day of the show. Please indicate which divisions you are entering to ensure you will be seated near the appropriate ring(s). You will need to turn in your list of horses and their exhibitor numbers, preferably printed from the Region 10 Tag Manager Program, to the show coordinator prior to the start of the show. Please be sure it is legible and that it includes every horse you plan to show. Also, double-check the horses' numbers that there are no two horses assigned the same number. This will prevent inaccurate results. Please read the section regarding tags and entries.

Please register early to ensure your spot in the show. Please include the receipt form (enclosed). **Make checks payable to Brenda Bednar.** If you find that after you have entered you are not able to attend you can receive a refund of your show fees up until March 14, 2020. ****Note** - If you prefer to register online you may email the entry form to me at stone_prince25@yahoo.com and Paypal is accepted for payment of entry fees or for making donations toward the show. You may send your entry fee via Paypal to rbednar01@yahoo.com. Your entry will not be complete until both the entry form and fee are received **AND YOU RECEIVE CONFIRMATION FROM ME.** If you do not get confirmation of a seat please contact me... please do not show up at the show hall looking for a seat if you have not confirmed with me. I sometimes do not see payments sent in Paypal unless you give me a heads up that you sent one.

- ** Champions and Reserve Champions** will receive Custom commercial Malden rosette
- ** Overall Grand Champions and Reserve Grands** will receive a Custom Designed Handmade rosette from a U.K. craftswoman and a custom made model sized neck sash.

CHAMPIONS/Reserve Champion: Champions will be determined by callbacks of 1st and 2nd in their class in each class type. Any horse placing 1st or 2nd for Breed or Workmanship/Collectibility will be called back with the ribbons it won.

**** Overall GRAND CHAMPIONS** of each division will be determined by callback of all Champions and Reserve Champions. Grands will receive Custom Designed Handmade Rosette.

Raffle: Any donations are welcome! Nice OF models, custom models, gift certificates, obstacles, props or live show quality tack, etc., will be greatly appreciated. If you have anything you would like to donate, please notify the show coordinator when you send in your entry. Proceeds will help defer cost of the show awards and ensure the future of this show.

Results: Results will be posted to the Region 10 Tag Manager Program.

Limits: There are no limits to the overall amount of horses you can bring, but you will only have half of a 6 foot banquet table so please plan accordingly. That being said, the following applies -

Halter Divisions - There is a Three (3) horse limit per entrant per CM/AR Open Halter Classes. ****NEW!!** In the Fantasy section **ONLY** there will be a FOUR horse limit in ALL divisions since this section is often very

small. ** There is a Buy In option for AR and CM only; if you wish to show more than the limit in any class you must put a dollar on the table next to your model and the judge will put it in the basket or you may pay for your total of Buy Ins at one time before the show begins. The buy in is \$1 for each of your horses beyond the 3 horse limit. A horse may be shown in only ONE breed class. Models shown in more than one class will be disqualified.

Performance Divisions - There is a Two (2) horse limit per entrant per class in all Open Performance Divisions. You will have 10 minutes to set up your models and props once the class is called.

TAGS:

You will need to provide your own leg tags. This show is a participant in the Region 10 tag system. To get your own exhibitor number and learn about the Tag Manager, please go to <https://RegionXNation.com/start> You will need to turn in your list of horses and their numbers prior to the start of the show. Please provide the list of horses for this show only. Each show will require a separate list of horses, so please be sure to turn in the correct one. The list printed from the Tag Manager program is preferred so the numbers on the tags will match the numbers in the Tag Manager program. You need to have your models registered in the Tag Manager BEFORE the show. Results are recorded online during the show to save time so you must have your models registered before.

GENERAL INFO: This is a NAMHSA® (North American Model Horse Shows Association®) qualifying PENDING show. Any horse placing 1st or 2nd in any Open Division ONLY will be eligible to show in the 2020, 2021, 2022 and 2023 NAN®. Please read the information about NAN tickets on the NAMHSA website: www.namhsa.org. Please be advised: NAN® is for model HORSES and OTHER EQUINES ONLY. Animals other than equines will not receive NAN cards.

NAN cards will be placed on the table with the 1st and 2nd awarded ribbons at the time the class is pinned. Please be sure to fill in the information requested on the tickets as soon as possible to ensure the proper information is retained for your records.

TRXC cards will also be placed on the table with the 1st and 2nd awarded ribbons and alongside the proper, color coordinated NAN ticket. This ticket should be filled in immediately to ensure the proper information is retained

for your records. Any horse placing 1st or 2nd in any Open Division will be eligible to show at The Region X Championship show (TRXC)

Table space is limited. Each entrant will have half of a 6 foot banquet table to set up, so please plan accordingly. Some people like to have a full table and if there is extra space that may be possible for an extra charge of \$20. This will be available only on a first come, first served basis. It can only be determined after the cut-off date for entries.

There will also be a ribbon recycling program. Please turn in any unwanted ribbons or rosettes/trophies to the show coordinator at the end of the show. This will help defray costs of future shows.

Multiple judging tables will be used to save time. As one class is being judged the setting up for the next class can be done on the other table.

Classes may be split or combined if number of entries warrant. If there are too few entries in a particular class, the judge may decide to combine it with another similar class in order to warrant first and second place winners a fair NAN qualification.

LUNCH FROM KOLOSSOS RESTAURANT! Read below....

KOLOSSOS delivers to the show hall. You will fill out an order form at the show hall, around 11 am all orders will be phoned in or driven down to Kolossos Restaurant and then they will deliver the full order around noon time at which time we'll tell you what you owe and you can pay for it at that time. Drinks and any extras need to be ordered at the original order time (if you want bottled water or soda... or any sides or appetizers, they need to be ordered at the beginning before the full order is delivered to the restaurant) Judges receive a free lunch up to \$15 value.

There will be a 45 minute break around 12:00 pm (or when it is convenient to break). At which time we will have the Fun Classes showcased.

FUN SHOWS AT THE LUNCH BREAK!!

Saturday Fun Show!

MODEL HORSES OR BUST! - Busts! Any size! If you like to collect model horse busts (head and shoulder/chest only) this is the place to show them off! We want to see what we have in Region 10! So bust out those busts and show them off! :) No limit.

NAMOPAIMO!! Bring out those wonderful works of art that you worked so hard on during the National Model Painting Month!!

Sunday Fun Show!

Mare/Foal and Stallion/Get Sets! Are you a collector who likes to match up foals with their moms and dads? Bring in the pair and show them off. We'll have one section for Mares/Foals and another for Stallions/Get (Limit 2 entries per shower)

Proxy showing: Proxy showing is when you are not able to attend a show in person but will be sending one or many horses with someone else. You still need to fill out and send in an entry form. Make sure to include the name of the person that will be proxy showing your horses for you. This is not optional, it is REQUIRED that if you are sending a model to this show via proxy you still have to register with the show or the results will not register properly. You need to be entered in the exhibitor list that I keep on the Tag Manager or anytime your number is entered it will tell me "This person is not an entrant". It's only \$10 base fee and \$3 per model up to ten models to enter as a proxied shower. There were quite a few people last year who sent horses to my show and took home awards and yet didn't put in toward the expense of those awards like the other showers did. I personally don't think that's fair and it does show up in the Tag Manager who you are when your number is entered. So please be fair to the other showers and the show hostess and enter the show properly if you're going to send models with a proxy shower. Thank you.

RULES: No set-ups or handlers in halter classes. Halters and bridles, if used, must be appropriate to the breed, fit well, and must be put on in a timely fashion. There will be a ten minute limit to get your set ups finished in the performance classes.

Collectibility entries: If you want the collectibility judge to consider your model, you must provide a 3" X 5" index card explaining why it is collectible. There are so many new models created every year that it is almost impossible for any judge to be familiar with them all.

Fragile models may be laid on a towel or a piece of felt. The judge reserves the right to pick up and inspect these models.

No radios, pets, or smoking is allowed in the show hall. Please also no small children. Bad sportsmanship and poor conduct will not be tolerated, and may be cause for dismissal of those entrants from the show hall. Please also show only your own models or those that you are proxy showing with the fees paid. The show cannot survive without the entry fees and the donations from generous people like you.

The decision of all judges is final. If you have any questions regarding your entry, address them to a judge immediately after the class is pinned, while the reasons are fresh in the judge's mind.

The show coordinator, judges, and hall cannot be held responsible for loss, damage, theft, or injuries to participants, their property, or to guests.

MOST IMPORTANT: HAVE FUN!!!

Southern New England Winter Round-Up

April 4 & 5 2020

West Stafford Fire Dept

144 West Stafford Rd (Rt 190) Stafford Springs, CT 06076

Fees: \$50 for one day (add \$2 is paying via Paypal), \$100 for both days (add \$5 if paying via Paypal). Proxy base fee is \$20 for one day, \$40 for both days, plus \$1 per model being proxied each day up to ten (10) models. If your proxy shower needs a table you need to pay the regular entry fee. Upgrade to full tables are available for \$20 each day (first-come-first-served, if available). If you are proxy showing and require a full table the regular entry fee applies. This will be available only on a first come, first served basis and will be determined only after the cut-off date for entries.

Please send the \$20 with your entry fee and if we cannot manage a full table for you we will refund the \$20 fee on show day.

This will be available only on a first come, first served basis and will be determined only after the cut-off date for entries. Please send the \$20 with your entry fee and if we cannot manage a full table for you we will refund the \$20 fee on show day.

*** If I have not confirmed with you it means you have not been given a seat so BE SURE to follow up with me and make sure I see your entry form and fee. This issue has come up every single year since I've started hosting SNEWRU and have had to find table space, which we don't really have, for those who did not get confirmation but did enter/pay. Things get crazy especially closer to entry deadline and fees get buried in paypal and email entries get lost in my inbox. PLEASE CONFIRM. I WILL NOT struggle to find table space and set up extra tables for you if you show up on show day without getting confirmation. Telling me you paid will not be good enough... you need confirmation from me that you have a seat on show day. I will reimburse you if you paid but didn't get confirmation from me before show day.

*** And ALL PROXY showers MUST enter the show properly and pay the fee like everyone else! If you send models with a friend and do not enter the show and pay the fees like all other showers, it will show up in the results as Entrant Not Found. If I find your number in the Tag Manager and can confirm that you have not properly entered the show I will remove your model and disqualify it and will move the remaining pinned models up; which means, if your model has NAN'd at my show and you didn't enter properly your NAN card will be of no use to you as NAMHSA will never see your model's name in the results if you try to enter NAN with a card from my show without having actually entered my show. The same will also go for any TRXC cards earned. Each year I put a LOT of work and thought into putting on the best show I can for all of you... I don't feel that work is appreciated by people who skirt the entry process and walk away with awards without having paid like everyone else. And if you received a

divisional rosette or an Overall Grand rosette, sash and trophy without entering the show properly I will call you out on public forums if they are not returned to me so I can in turn award them to the proper winners. Any questions about this can be brought to me before the show. Thank you all for your attention.

Sponsorship: Sponsorship options are available if you are interested. You can sponsor a single class for \$5, sponsor a section (ex. CM stock breeds) for \$15, or sponsor a whole division for \$30 (ex. AR/CM workmanship). This helps to cover the cost of the awards for that section and your name will be announced at the show as well as printed in the show booklet (you can remain anonymous if you prefer).
