Send entry form with fee to me at [188 Coggins Hill Rd., Union, ME 04862](#)

The TCC is located near the junction of Rt. 17 and Rt 131 (south from 17) in Union. It consists of two large connected buildings, one brick and one with yellow siding. We have a room in the brick section and entrance will be off 131 – there is a U-shaped driveway in front of the building where we can unload, then there is a parking lot off to the left near the tennis court.

Entrants are limited to 10 – the showholder plans to show which leaves 9 entries open. First come, first serve. Fee will be \$20 to cover the rental of the hall. There are plenty of large 8 ft tables so everyone should be able to have their own.

Tags – You will need to provide your own leg tags. This show is a participant in the Region 10 tag system. To get your own exhibitor number and learn about the Tag Manager, please go to <https://RegionXNation.com/start> . You will need to turn in your list of horses and their numbers prior to the start of the show. All first and second place models will receive RX Collectibility cards.

Limits – Only OFP and OFC models made before 1990. Clankies, limited to models made in the '50's – '70s. Sorry, no OF resins allowed.

Class limits – limited to two models per shower, per class.

Judges – all entrants are encouraged to judge all classes, including division champs and reserve champs. Please bring your own awards for the champ classes (as the RX website says, be creative!) as well as markers for 1st through 4th in the individual classes – I have some paper ribbons but may not have enough for all judges. I also have a few clipboards but to be sure there are enough for everybody if you have one please bring it along.

Door prizes will be offered – donations welcome!

Depending on how timing goes, we might break ½ hour for lunch. There is a nice sub/pizza place in town not far from the hall – we could order a couple of large pizzas to share or everyone can order what they'd like. Hopefully we will have a delivery person available to pick up for us. I'll scan a copy of their menu to add to the show packet.

Eleda from Triple Mountain Model Horses plans to attend and will bring some goodies to tempt us all (maybe some Copperfox?!?). If you'd like to order something from her retired model selection and have her deliver it to the show, Eleda says here's how to do it - **Feel free to order from our retired model selection ahead of time (by Friday at the latest) and choose in-store pick-up so you don't pay for shipping. Then drop us an email saying you'll meet us at the show and we'll hand-deliver your models to you there!** Visit her website at www.TripleMountain.com to see the retired models and also check out her current stock, which includes the latest Copperfox offerings.
