Show Format and Eligibility

TRXC is championship show, so the format is a little bit different from what you may have experienced at other models shows. There are two different types of classes: Stakes and Maiden. It is very important to understand how to enter these classes so please read the following rules carefully.

Stakes Classes

The Stakes classes are the TRXC championship classes. To enter a Stakes class your model must have a qualifying card from placing 1st or 2nd in a corresponding class at a Region 10 open show in 2017, 2018, 2019, or 2020.

You will need to place the qualifying card next to your horse on the table when entering a Stakes class. You do not need more than one of the same qualifications, i.e. one Collectibility or Workmanship, one Breed, one for the appropriate Performance class. Judges will check the cards to confirm that your model is qualified and in the correct Stakes class.

You can find your personalized list of models qualified for TRXC by logging into your Tag Manager account at www.RegionXNation.com. Be sure to select whether you plan to compete in Open or Novice for an accurate list.

Maiden Classes

For OF PLASTIC only-Maiden classes are open to models that have NEVER received a TRXC card.

All other Maiden classes are open to models not currently eligible to compete in the Stakes classes. Maiden classes will be placed 1st-6th with the 1st and 2nd placed models eligible to enter the following Stakes class.

Models that have current NAN cards but not TRXC qualifications (i.e. new purchases, out of region showers, etc.) may show in the Maiden classes.

In Halter, models with breed only or workmanship/collectibility only qualifications MAY NOT show in Maiden classes, as they are already qualified.

In Performance, models may enter Maiden performance classes they are not currently qualified in, even if they have another performance qualification already. For example, if your model is qualified for western trail but not western pleasure, it may enter the Maiden Western Pleasure class, but not the Maiden Western Trail class.

Limits

Maiden Performance Classes: 2 models per class per shower

Maiden Original Finish Plastic Halter Classes: 2 models per class per shower

All Other Maiden Halter Classes: 3 models per class per shower

Important Note: No "buy ins" for additional entries will be allowed this year

Stakes Classes: Showers may show as many qualified models as they wish in the Stakes classes, but please be mindful of your own abilities to get models to the rings in a timely fashion.

NAMHSA Member Show

TRXC has been approved to be a NAMHSA member show! Models placing first and second in the **Maiden classes only** will receive NAN cards and Region X cards. **Maiden classes are only open to models not currently qualified for TRXC 2018 Stakes classes, except OF Plastic which are models that have never qualified..** Stakes class winners will not receive NAN cards.

Breyer Live Show Benefit Model

TRXC will apply to receive a special run model through the Breyer Live Show Benefit program! "Chetanzi" is a beautiful pinto done on the San Domingo mold (see photos at <https://www.breyerhorses.com/pages/2020-breyer-live-show-benefit-program-information>). This model will be given away on Saturday in a door-prize style random drawing. Each paid Saturday TRXC and Region X Futurity entrant will receive one ticket, no additional purchase necessary. To be eligible for the drawing you **must be showing in person on Saturday**, proxy entrants are not eligible.

Awards

Maiden classes will be pinned 1st-6th with custom business card "flat ribbons". First and second place models will receive NAN and Region X qualifier cards.

In the Stakes classes, each Champion and Reserve will receive a rosette and a blue Region X ticket that may be used toward Region X Achievement Awards. Top Honors models will receive certificates.

In Stakes classes with less than 5 entries, a Champion and Reserve Champion will be named. In Stakes classes with 5-9 entries, a Champion, Reserve Champion, and one Top Honor will be named. In Stakes classes of 10-15 entries, a Champion, Reserve Champion, and 3 Top Honors will be named. In Stakes classes of 16+ a Champion, Reserve Champion, and 5 Top Honors will be named.

The show holders reserve the right to combine or split classes depending on entry numbers to ensure fair competition.

Raffle and Silent Auction

A silent auction and benefit raffle to support the show will be held both days. Any and all donations are welcome!! Nice OF models, custom models, gift certificates, obstacles, live show quality tack, etc will be greatly appreciated. If you have anything you would like to donate, please tell the show coordinator when you send in your entry.

Other Rules

No radios, pets, or smoking will be allowed in the show hall. Bad sportsmanship and poor conduct will not be tolerated, and may be cause for dismissal from the show hall. The show coordinators, judges, and venue cannot be held responsible for any loss, damage, theft or injury to participants, their property, or their guests.

Children/minor attendees must be accompanied by a parent or guardian at all times.

The decision of the judges is final. If you have questions regarding your entry, please speak to the judge immediately after the class is pinned, while the judge's memory is still fresh.

Lunch

A catered lunch option will be offered both days. Lunches will cost \$14.50 and will include Herb Chicken and one other choice, Roasted Potatoes, Penne Ziti, Salad and Rolls.

Since this is a catered lunch, a 45 minute lunch break will be taken.

Pizza Party

The traditional pizza party will take place Saturday starting at 6:30pm.. Cost is \$10.00 per person and will include pizza, salad, a drink and dessert. Please note on the Registration page if you will be joining us!

Host Hotel

A block of 20 rooms are reserved at the Quality Inn at a rate of \$85/night plus tax. This rate includes parking and breakfast in the morning. Reservations must be made by August 24, 2020. Call the Quality Inn at 518-295-6088 and mention you are from the Model Horse Group.

Additional Lodging

Since there is not a lot of hotels around Schoharie, I would suggest using TripAdvisor to peruse the area. Closest hotel is Super 8 in Cobleskill(8 miles) and many more choices in Schenectady(20 miles).

Parking

To load or unload, go to the far left parking lot, the hall is on the lower level. After unloading, vehicles must be moved to any available parking spot, or if Handicapped Parking is required, move to the spaces available by the door.
