February 10th, 2018

Hostess: Kate Cabot

The goal for this show is to try out new set-ups in Harness and English Performance and to refine current ones. Competition is OPEN but limited to a total of 10 entrants. OFs and CMs will compete in these classes together. Each entrant will also be a judge. Entrants should bring their own “ribbons” or markers of their choice for 1st through 6th placings. In addition, entrants may choose their own Champions in whatever categories they like—and how you do that is totally up to you, have fun and be creative!

There is no fee for this schooling show, but each entrant is asked to bring a contribution to our potluck lunch. The show holder will supply a large salad and bread.

The show will start at 10am and run until we are done. It is a small classlist but it could take a while because there is a lot to learn and I hope we will all have fun while doing so!

Because of the entry limit, I ask that you register with me as soon as possible and if you do not know whether you are able to confirm to be asked to be put on a waiting list so others who are able to confirm may do so first. Only 9 entrant slots are open at this time because the show hostess is also an entrant and our limit is 10 entrants.

Here is the classlist (classes will run in the order given):

1. Marathon Driving
2. Cones/Obstacle Driving
3. Work/Historical Harness
4. Other Driven Performance (competitive or non-competitive)
