

# Winter Wonderland Novice Show

**What: Novice/ Intermediate Live Show. This show is great for anyone just getting into showing model horses or who has some experience and would like more. There are two divisions.**

**The beginner division is for anyone who has never shown at more than two model horse shows. It's perfect for anyone just getting into showing. It will be starting 30 minutes after the Intermediate division to allow for any help setting up. There will also be advice given after many of the classes to help showers learn and improve.**

**The Intermediate Novice Division is for those who have been to three or more shows or those who feel comfortable in a slightly more competitive division. If this is your first show but you have a large collection and feel comfortable diving right in, you can still compete in this division if you would like to.**

**This show is mostly for original Finish models. In the beginner division classes 17 & 18 are for customs. In the intermediate division classes 24-26 are for custom models. All models must be customized by the owner/shower of the model.**

**Date: Saturday, February 17th 2024 (snow date TBD, some time in May) If the show is canceled due to snow, I will offer a full refund or free entry into the next novice show in May.**

**Tags:** All models need to be tagged and a horse list must be provided at the beginning of the show. Please include your region X number. [RegionXNation](https://www.regionxnation.com)

**General Info:**

**Intermediate Novice Judge:** Julia Nichols

**Beginner Novice Judge:** Kayla Lovejoy

**Class Limits:** Three Models per class. No buy-ins allowed. No models with runs of fewer than 500 will be allowed.

**Lunch:** You will have to provide your own lunch. There is a store a short walk from the hall.

**Fun Class:** The fun class will be judged during lunch. The theme is twinning. You must enter Two models with a similar paint job. The similarity can be in color, pattern, or both. Models of any scale and mold can be used and mixed with each other. Models will not be judged on their condition.

**Rules:** Radios, pets, and smoking are not allowed in the hall. No running in the hall and please don't bring young children due to the fragile nature of model horses. The event coordinator and the hall cannot be held responsible for any loss, damage, theft, or injury to participants or their property.

**Raffles:** I have a few raffle items to offer. Tickets will be \$1 each or \$5 for 6. All money from the raffle will go towards any future shows/ model horse events.

**Sales:** Entrants are allowed to sell models, but they must be kept on your show table.

**Note: The hall is very old and, even with the heat set to 70 degrees, can be a little cool in the winter. Bringing a sweater is recommended.**
